

# Villa Ancla

Modern villa with roof pool built in 2007, St. Margherita di Pula (south west coast)

Completed in 2007, this magnificent villa, whose outer walls are stone-covered, was built on a hilly area and has an exceptional breath-taking sea view.

The villa, spread over three levels, has many charms, one of which is the rooftop infinity pool (heatable) with a comfortable pool lobby.

Living, dining room inside and outside ,4 bedrooms with double bed, 4 bathrooms, 3 terraces lounge, garden and parking
